

# **Professional Instruction** **Drums/Percussion**

## ***Develop L'GRITT***

***Lessons are personalized for each student***

### **Listening**

Develop the ability to “*lift*” your favourite songs and start a collection of patterns that are essential for every drummer.

### **Grooves**

Covering a multitude of styles that include but are not limited to: rock, latin, jazz, funk and swing. Click track, CD record and play-back available.

### **Reading**

“To read or not to read?” This topic is developed to meet the needs of each situation. Chart reading, orchestral and marching styles included.

### **Improvisation**

*Imagination and memory* are the keys to improvisation. Learn how to develop and perform great fills and solos.

### **Technique**

The 40 Rudiments are presented and applied in a manner to enhance and contribute to everyday performance in various styles.

### **Theory and Ear Training**

Optional topic for students preparing for University or College music program.

**Graduates** have performed at the Air Canada Centre, Grand Ole Opry, with Cirque du Soleil and Brad Paisley, on the David Letterman and Jimmy Kimmel Shows, are active musicians in cities across North America (Nashville, Toronto and Montreal).
