

# “Site Readings”

(Monthly website recommendations for musicians, educators or students)  
Edition 1, Volume 4

**Welcome to Site Readings.** Each month DRUMS Inc. will recommend a website that provides free information and resources for musicians, band directors and students. We encourage you to visit the website and discover a wealth of awesome information and resources.

Our current recommended website: **Hey Drummer You Rule!** This website provides some great up-to-date information that covers a wide range of topics including: informative Articles, great Links, an awesome section explaining the Rudiments, Tour Dates and two of my favourites ***Intros*** and ***Stereo Typing Drummers Since 2011***.

Hey Drummer You Rule is also active on Twitter @heydrummaryourule and on FaceBook, be sure to check them out.

**Here are a few direct links that provide great information, at no charge.**

**Intros...** provides a great listing and recordings of tunes that start with only drums.

**Rudiments...** select a rudiment of your choice, check notation and view a video demonstration – great learning tool for young drummers.
